Blood Policy

2240. CHAUDHARY CHUNNI LAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the blood supply is much less than its requirement in the country; if so, the details thereof;

(b) what is the criteria for setting up blood banks and the number of blood banks operating in the country, State-wise;

(c) what steps Government have taken to meet the requirement of blood in the country; and

(d) whether Government propose to announce new blood policy; if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE [DR. (SHRIMATI) RITA VERMA]: (a) There is no overall shortage of blood in the country. However, there could be seasonal and occasional shortages of blood in different parts of the country.

(b) Blood banks in the country are set up according to demand for blood and availability of donors. A list of licensed blood banks functioning in the country is given in the annexed statement (*See* below).

(c) For generating enough blood through Voluntary Blood Donation Programme, the Government of India have taken a number of steps such as media campaign through TV, AIR and newspaper; developing IEC material for one-to-one communication; observation of National Voluntary Blood Donation Day on Ist October every year; encouraging rational use of blood among clinicians and the launching of special campaigns to educate masses to support voluntary blood donations.

(d) A draft blood policy is under consideration of the Government.
